

The Chemsex Workshop

.... For Drug Workers / Sexual Health / HIV professionals and Counsellors/Therapists working with gay men

Chaired by Bernard Kelly, Dr Mark Pakianathan & Dr Jo Brown

COST: £120

including Lunch

This skills based day will focus on how to assess gay men with problematic sexualised substance use and develop strategies to enhance your personal and professional effectiveness in this area. The workshop will include presentations, group discussions and interactive sessions working with 'simulated clients'

Agenda:

- **The Chemsex Phenomenon and Drugs & Treatment strategies**

Monte Moncrieff, Chief Executive, Antidote - London Friend

- **Gay men and vulnerability factors**

Bernard Kelly, Senior Health Adviser & Clinical Team Lead, Wandsworth Integrated Sexual health

- **Sexual Behaviour and consequences**

Dr Mark Pakianathan, Consultant Physician, Courtyard Clinic, London

- **Working across boundaries**

Dr Jo Brown, Reader - Clinical Communication, St Georges University of London

- **Simulated client / patient sessions:**

- Exploring the communication challenges around chemsex conversations with patients
- Practising chemsex conversations in a practical and supportive way using experiential learning and constructive feedback

Led by Dr Jo Brown, Reader - Clinical Communication and Co-facilitated by Karen Lobb-Rossini and Margot Acer-Turner, Lecturers in Clinical Communication, St Georges University of London

In order to secure your place on the course, please complete the tear off slip below **enclosing a cheque for £120** made payable to: **ST GEORGES HOSPITAL CHARITY C158**

Places are limited and will be allocated on a first come, first serve basis
