

Revalidation and Code review Stakeholder Summit

20 March 2014 - London

The Nursing and Midwifery Council (NMC) is currently running an [online consultation](#) on [revalidation](#) and a review of the [Code](#). To support this, we are holding an event with stakeholders to help us shape a revised Code and guidance for revalidation.

[Secure your place and have your say - click here](#)

Where: The Mermaid Conference & Events Centre, Puddle Dock, Blackfriars, London EC4V 3DB.

Who:

- nurses and midwives
- healthcare employers, managers and leaders
- professional body and union representatives
- educators, academics, student nurses and midwives

Time: 10am – 4pm

Agenda

Key note speakers:

- Jackie Smith, Chief Executive and Registrar, NMC
- Professor Viv Bennett, Director, Nursing at Public Health England

Sessions exploring:

Revalidation

- Ways in which nurses and midwives can obtain confirmation of their continuing fitness to practise by someone well placed to comment
- Using practice related feedback to improve standards of care
- Meeting the needs of an individual nurse or midwife's scope of practice or setting

The Code review

- Public protection
- Professional development
- Format of a revised Code
- Diversity of the Register
